Leaf Pick Up

It's that time of year. Gorgeous leaves everywhere. Soon those beautiful leaves throughout Best Hill Meadows will be falling to the ground! CDA crews will begin leaf pickup Monday, Nov 14th. The city crews will start south of Sherman Avenue and move north. Please keep leaves on your property until Nov 10th. After this time, leaves may be placed in the street at least one foot from the curb to allow for water drainage. Leaves will be picked up only once. Do not include bagged leaves, branches, debris or trash. Visit CDA website cdaid.org/leafpickup for more info.

Coming Soon! Ballots will be mailed to homeowners to vote on:

Monument Rock Location

In 2023, we will be adding a rock monument to the neighborhood with the Best Hill Meadows logo on it. VP, John Walker will be leading the committee. Please contact John for any additional information.

Nettleton Gultch

Should the Nettleton Gultch fencing be included as part of the Perimeter Fence? It is the only section of the neighborhood that is currently not considered perimeter fencing.

Silvertip Park

Should the Silvertip Park be included as part of the Perimeter Fence? Or is the HOA considered the neighbor? This was a hot topic at the Annual BHMMA Meeting!

Please reach out to any Board member for neighborhood issues, suggestions, etc. or email besthillmeadowshoa@gmail.com
